Confirmation of Shri. V. Gopalaswamy Iyengar as Registrar, Mysore University on Rs 400/- in the revised grade Rs 400-20-500.

Confirmation of Sri Gopalaswamy Iyengar as Registrar, Mysore University

General and Revenue Secretariat | CB File No. of 193 | [App: F. III]

Serial No.

Letter No 13742 dated 21st January 1935 from the Registrar, Mysore University to enclose a copy of the Resolution of the University Council, recommending that grade pay of the post of Registrar, Mysore University may be revised to Rs 400-25-700 and Sri Gopalaswami Iyengar be given four increments in the grade

Subs

1) Lr fo. no. 571-2/CB. 20-32-2 dated 31st July 1930, Sri V. Gopalaswamy Iyengar was appointed as Registrar, Mysore University, on a salary of Rs 400/- p.m. until 30th June 1931. On the expiry of the term, his appointment was continued for a further period of two years from 1st July 1931 on his present salary of Rs 400/- p.m. It was again continued for another two years on the same salary. The term of office expires on 30th June 1935.

2) The recommendation of the University Council is (i) to revise the grade of the post of the Registrar from Rs 400-30-700 to 400-25-700 and (ii) to confirm Sri Gopala Swamy Iyengar on a pay of Rs 500/- p.m. in the revised grade i.e. to give him four increments in the proposed revised grade The recommendation of the Univ. Council to give him the grade of Rs 400-30-700 on

previous occasions was not approved by Govt. In this connection kind reference is invited to the Second Member's minute dated 25th March 1933 in para 7 of the notes of the C.B. file No. 116-32 (1-3, 4 & 5) Intcp.

3) The Revision of the scales of pay of the University is still under Consideration.

4) The Resolutions of the University Council are for orders.

K.M.R. 24.1.35

5) The revision of the Scales of pay of the grades in the University ~~does not~~ under consideration separately, deals only with the Tutorial Staff of the Arts Colleges, and not with the administrative posts like that of Registrar. The pay of this post therefore still stands at Rs 400-30-700. In the proposed re-organization however the scale of Professor II Grade is to be Rs. 400-25-700, and the present resolution of the University is for adoption of this Grade for the Registrar.

6) Mr. V. Gopalaswami Iyengar has been occupying the post of Registrar on a pay of Rs 400 (against the grade 400-700) from 11.8.30. His present term expires on 30.6.1935 and in ~~connection~~

Serial No.

Considering the question of his continuance beyond that date, the University Council has resolved that he may be confirmed on a pay of Rs 500 in Grade 400-25-700. with 4 advance increments

1) The points arising for consideration are:

(i) Revising the pay of post of Registrar from 400-30-700 to 400-25-700

(ii) Treating the post as a non-tenure one, & appointing Mr. V. Gopalaswami Iyenga permanently to it, without any lien on any other post.

(iii) Fixing his pay at Rs 500 (the University Council do not ~~declare~~ specify the date from which this is to have effect — presumably from 1.7.35).

2) Re: (i), the proposed scale is in consonance with that proposed in the case of II Grade Professors in the Reorganization under consideration

3) Re (ii), it is for orders whether it would not be more convenient if the post is included in the ~~[illegible]~~ cadre of Professors rather than kept as an independent post, ~~[illegible]~~ so as to facilitate postings in case of necessity.

Confirmation of Mr V. Gopalaswamy Iyengar as Registrar, Mysore University

63 File No. of 1934 | General and Revenue Secretariat

Statute 4 (9) lays down: "The Registrar shall ordinarily hold office for a period of 3 years in the first instance, but the same person shall be eligible for re-appointment." The University Council hold that the tenure of 3 years referred to only applies for a first appointment and not to Continuance. The object of the rule is apparently to fix some definite limit of period, and it is for consideration whether the mere fact that the same person is not precluded from re-appointment, can be interpreted to mean the negation of the principle of tenure itself, and no limit at all applies to the case of a "continuance". If any particular officer ~~[illegible]~~ be permanently appointed to the post after three years — ~~this~~ there was no opportunity for applying the Statute for an unlimited length of time.

(10) Re (iii) fixing the pay of Mr. V. Gopalaswamy at Rs 500 in grade 400-25-750 it is submitted that, in the absence of a combined gradation list showing the relative rank inter se of the officers employed in the several Depts of the University it is difficult to ~~not~~ arrive at a definite ~~[illegible]~~ opinion regarding comparative rank. This aspect has been fully discussed in the previous correspondence put up. H. C & U.

Submitted. The grant of the advance increment requires financial concurrence.

11) mr V. G. has been the Uni Regr, for the past 4½ yrs, (i-e, from 11-8-30). He was first appointed as Regr, on Rs 400/- for about a year only, & subsequently, the term of his appt as Regr was extended twice, (for two years each time), on the same pay. The present extended term expires on 30th June 1935, by which time he would have put in a total period of about 5 yrs as Regr.

12) Under Statute 49, "the Regr shall ordinarily hold office for a period of 3 yrs in the first instance, but the same person shall be eligible for reappointment". In view of the terms, object & spirit of this Statute, the Regr's appt is to be held by a person for only a definite period, the limit being three years ordinarily. In view of this, the point of a permanent tenure of the office of Regr, for an unlimited length of time would not be in order with regd to this Statute & would not therefore be tenable. In this view of the matter, the present question of Confirmation of mr V. G. as Regr, (without regd to the term at all) & fixing his grade & pay as permanent Regr, as now proposed by the Uni does not seem to be strictly allowable.

13) The Contention of the Uni, that the period of 3 yrs, specified in Statute 49 refers only to first appt, & not to Continuance of appt does not seem tenable or

NOTE—Contn. Sheet.

6)

acceptable either. True that his first term of this appt as Regr was not for 3 years, though he has been continued subsequently, & his total period comes to about 5 yrs. But, still, it cannot perhaps be interpreted without stretching the rule, that this Rule does not apply to his case & that the period of subsequent continuance is of no account for, if that were so, this Statute would be an absolute nullity, & deprived of without any effect or force at all, in any case, by putting the first period at less than 3 yrs, & subsequently extending the period beyond 3 yrs. It would be easy to take every case outside the scope of this Statute. That cannot perhaps be, and looking at the intention & spirit of the Statute, the construction would seem to be that the maximum term of the first appt is only three years, that the term of 3 yrs specified has regd to the maximum period allowable in the first instance, & that cases of lesser term of first appt would a fortiori, come under this Rule & cannot claim exemption from the operation of this Statute.

(4) In this view of the case, mr V. G's appt as Regr would come under this Statute & would terminate on the expiry of the present extended period, i.e, on 30th June 1935, & if, at all, he is to be further continued, the Govt would have to make a separate reference for his reappointment by expressly extending the term from that date.

grade for the appt. of Regr., as such, it has not come up, so yet, for revision & decision the revision (under Consn.) of the Uni. appts. is only in respect of his tutorial ~~appts~~ posts (in the Arts & Science Colleges).

6) It may also be noted here that Mr. V.G. is permanent Prof. of Mathematics, on Rs 350/- in the Engg. College, & is working on other duty as Regr., on a higher pay of Rs 400/-, for the last 4½ yrs. The present recomn. for his confirmation as Regr. with a grade of Rs 400 to 700, had, in fact, come up, previously, before Govt. (in April 1933) & was disallowed: (vide C.B. file 116-32 put up below). Kind refce is invited to the minute of the Member & the Dewan, in Paras 7-9 thereof: (Pl. I), that "no good case is made out for giving him the grade Rs 400 to 700. His permanent pay is Rs 350/- & he may continue on Rs 400/-, while he is employed as Regr." The Uni. was intd. accdly., & on a further refce of the Uni. for recomn., the Uni was replied that the decision of Govt. might be kindly treated as final: (vide Paras 4-6 on Pl. J & the letter Pl. Six thereof file).

7) Practically the same recomn. has come up again now, with a further proposal to grant him four increments in the grade, (Rs 400-25-700): But there seem

26) With regard to the suggestion that the intention of Statute No. 49 is that the office of Registrar shall be newly filled every three years, it may be observed that even under the old form of Ordinance No. 36, which prescribed two years as the normal tenure of the office (without the present very important qualification "in the first instance") Messrs. Denham, V.Subramanya Iyer and B.M.Srikantia were successively confirmed in the appointment.

27) The present form of the Statute does not suggest that a permanent appointment may not be made. It preseribes a period of appointment of three years as a minimum in the first instance; but no limit is placed to the period of re-appointment.

The "three years, in the first instance" is to be regarded as a probationary period. Such a provision is entirely reasonable, since it may well take that length of time for a new Registrar to acquaint himself with the very varied and complicated duties of the office and to demonstrate his ability to perform them effectively.

28) It would be very unwise to make a practice of appointing a new Registrar every three years, since that would inevitably lead to the transfer of routine control in matters of detail to the clerical staff of the University Office. It is quite necessary that such control should be with a Registrar possessing that close acquaintance with the minutiae of management which can only be acquired by experience. For this reason, a man having been found endowed with the necessary personal qualities for this exacting post, having trained himself in all its duties and having proved himself competent and reliable, it is very desirable that he should be retained in it permanently.

29) Moreover, it has been, and probably will continue to be, the practice to appoint the Registrar from among sufficiently senior men already on the staff of the University. The maintenance of the appointment on a temporary basis for extended periods is likely, therefore, to lead to a string of temporary or acting appointments of long duration, causing troublesome complications in administration besides hardship to the individuals involved. (The consequential "string" in the present case of Mr. V. Gopalaswami Aiengar's temporary tenure of the Registrarship includes five other persons.)

30) . In the matter of the salary which is recommended for Mr. Gopalaswami Aiengar, it may be pointed out that the salary formally attached to the post is that of a Professor, Class II. Considering the position of authority occupied by the Registrar and the responsibilities of the post, its status cannot be inferior to this. The first Registrar enjoyed the status of a Professor, Class I : the second and third that of a Professor, Class II. All three were duly confirmed in the post with the status just mentioned in each case.There is no reason at all why Mr. Gopalaswami Aiengar should be treated less favourably. The question of his rank as a professor relative to other professors prior to his appointment as Registrar does not arise. Of that group, he was specially chosen for the Registrarship on account of his personal suitability for the work. It would be a curious and most unfortunate consequence if the status of the Registrar had to be lowered merely because the most suitable man for the post happened to be technically junior to some other. As Registrar Mr. Gopalaswami Aiengar has to be considered in a category separate from that of the junior professors from among whom he was selected.

31) Considering the personal aspect of the matter, Mr. Gopalaswami Aiengar's services have amply justified his selection. He has displayed the virtues of patience, tact, initiative and fidelity in an outstanding manner. His very efficient assistance and untiring industry have contributed in no small measure to the smooth running of the University during a period of financial and administrative difficulty. It is not in the public interest that an officer whose qualities and deserts are so well known and generally approved should continue so long (five years !) without reasonable promotion. Mr. Gopalaswami Aiengar is a rare example of a public servant who has relied on close attention to his duties rather than on persistent personal representations to bring him some measure of modest advancement. This is an attitude which is certainly deserving of encouragement.

36) I kept this file till the allocation orders were passed in connection with the appointments of Professors and Assistant Professors in the University. The proposal of the University Council is to confirm the present Registrar in that appointment on Rs.400-25-700. He is drawing Rs.400 since 1930. When he was appointed Registrar, the order of appointment stated that he would draw Rs.400 in the first instance, though the pay of the post was fixed at Rs.400-30-700 in Government Order dated the 19th July 1926. Presumably, it was not intended that he should remain on Rs.400 only.

37) The point for consideration is whether the present recommendation may be accepted.

38) I think the situation has changed since 1933 by the University re-organization order, which has converted all professors' appointments into time-scale appointments. The appointment of second class Professors now carries a pay of Rs.400-25-700 and all the appointments hitherto on Rs.400 fixed have been converted into second class Professorships. The pay of the Registrar's appointment as fixed in 1926 is ~~also~~ practically the same.

39) I do not think the objection on technical ground under Statute 49 is quite valid. As stated by the Vice Chancellor in his un-official Note, all his predecessors were confirmed in the post of Registrar

40) It is stated in the notes that he has two seniors in his old post of Assistant Professors. These two officers have been ordered to be retired or are retiring soon, and this point does not arise now.

41) It seems to me therefore the recommendation of the University Council to confirm him on Rs.400-25-700 may be sanctioned. As regards his initial pay, the University Council recommends that he may be given Rs.500. I would suggest its being fixed at Rs.450 in the grade.

Final Note by the First Member of Council.

Subject:—

Proposal to revise the pay attached to the post of the Registrar, Mysore University, from Rs.400-30-700 to Rs.400-25-700 and to confirm Mr. V. Gopalaswami Iyengar in the revised grade with a starting pay of Rs.450.

48) These papers relate to the proposal of the Mysore University for the confirmation of Mr. V. Gopalaswami Iyengar as Registrar of the University. Mr. Gopalaswami Iyengar was first appointed as Registrar in 1930 on a salary of Rs.400 for a period of one year in the first instance, and his term was continued for a further period of two years each in 1931 and 1933. The University Council now recommend that the pay of the post of Registrar be revised from Rs.400-30-700 to Rs.400-25-700, so as to bring it in a line with the revised grade of pay of the University Professors, and that Mr. Gopalaswami Iyengar be confirmed on a pay of Rs.500 in the grade from July 1935.

49) Mr. Gopalaswami Iyengar has been in this position for nearly six years. Though the appointment of Registrar carries a pay of Rs.400-30-700 under Government Order dated the 19th July 1926, he was not given the grade till now. I am of opinion that the proposal of the University to confirm him in the revised grade may be sanctioned, with the modification that Mr. Gopalaswami Iyengar may be given Rs.450 instead of Rs.500. The Dewan and the Second Member of Council agree with me, and I solicit His Highness' gracious approval to the proposal.
